GIFTET MARITIME NAVIGATOR®

Another example of Giffet® Global Navigation Solutions is Giffet Maritime Navigator® which will have the ability to read Digital Nautical Chart® anywhere from the 29 Digital Nautical Chart geographic regions, contained between 90° North latitude and 90° South latitude, and support a variety of Geographic Information System applications and also GPS/GNSS/Pseudolite data and enable safe and accurate maritime navigation for the US Navy, US Coast Guard, Government agencies and government/US military sponsored contractors. It is also anticipated that Giffet Maritime Navigator® will enable public sale of Digital Nautical Chart in US waters and worldwide.
