

Giftet Partnership Government Agencies

Giftet Partnership Government Agencies

GIFTET PARTNERSHIP PHILOSOPHY

In general, Giftet philosophy is based on partnership; therefore, Giftet welcomes new partners! Partnership may include any of the following:

1. *family partnership* : a partnership in which the partners are members of a family such as Progrid family
2. *general partnership* : a partnership in which each partner is liable for all partnership debts and obligations in full regardless of the amount of the individual partner's capital contribution —compare LIMITED PARTNERSHIP in this entry
3. *limited liability partnership* : a partnership formed under applicable state (such as U.S. Federal or State Government) statute in which the partnership is liable as an entity for debts and obligations and the partners are not liable personally
4. *limited partnership* : a partnership in which the business is managed by one or more general partners and is provided with capital by limited partners who do not participate in management but who share in profits and whose individual liability is limited to the amount of their respective capital contributions —compare GENERAL PARTNERSHIP in this entry
5. *nontrading partnership* : a partnership that is not engaged in the buying and selling of goods called also *non-commercial partnership*—compare TRADING PARTNERSHIP in this entry such as research and development partnership
6. *partnership at will* : a partnership whose duration is not fixed by contract and that is terminable at will by any partner such as financial institution partnership
7. *trading partnership* : a partnership whose business involves the buying and selling of goods called also *commercial partnership*—compare NONTRADING PARTNERSHIP in this entry such as in later commercial licensing of Giftet Inc future prototypes

Building successful partnership one client at a time and one project at a time.

Giffet Partnership Government Agencies

GOVERNMENT AGENCY PARTNERS

REASON FOR PARTNERSHIP

Giffet considers as critical (or vital) the support from the Government Agencies to its mission statement which is to become a *premier (or a leading) corporation* for **researching, developing, marketing, and distributing *global navigation, software, and web solutions***.

Therefore, Giffet welcomes the support that will receive from the Government Agencies.

SBIR/STTR PROGRAM PARTNERSHIP

Giffet welcomes SBIR/STTR partnership with Government Agencies via the following programs

SMALL BUSINESS INNOVATIVE RESEARCH (SBIR) PROGRAM

Giffet welcomes participation in the SBIR solicitations on topics that dually support both the Sponsoring Agency and Giffet Mission Statement.

NEED FOR PARTNERSHIP

Perhaps the most important customer need addressed by Giffet innovation will be its philosophical approach to innovation. Giffet envisions that its innovation is an integral part of its cooperation and partnership with the United States government federal and state agencies, with industry partners, with non-profit organizations, with university and university research centers, and financial institutions and other organizations from around the world. Giffet is going to undertake all the necessary means and measures with memorandum of understanding, with letters of intent, with non-disclosure agreements etc. to protect its *intellectual property* (IP) that may result from the innovation and also its partners' needs and rights to develop successful partnership with one client at a time and one project at a time.

Therefore, Giffet welcomes the support that receives from its Partners.

NEED FOR INNOVATION

Giffet intends to become a world leader in innovation in research and development of geolocation applications by means of programs such as Small Business Innovative Research (SBIR) and other government funded programs or private funded programs. Giffet has addressed and will continue to address its customers' need for innovation via the Department of Defense (DoD) SBIR Program [<http://www.dodsbir.net/>] by developing innovative technologies, products and/or services that will benefit the US National Security, Global Security and NATO allies.

The DoD SBIR program is made up of thirteen participating Components: Army, Navy, Air Force, Missile Defense Agency, Defense Advanced Research Projects Agency, Joint Science and Technology Office for Chemical and Biological Defense, US Special Operations Command, Defense Threat Reduction Agency, National Geospatial-Intelligence Agency (NGA), Defense Logistics Agency (DLA), Defense Microelectronics Activity, the Office of Secretary of Defense, and the Defense Health Program [<http://www.acq.osd.mil/osbp/sbir/sb/program-descriptions.shtml>].

Therefore, Giffet Partners are assured to find a great supporter in Giffet.
