GIFTET PARTNERSHIP PHILOSOPHY

In general, Giftet philosophy is based on partnership; therefore, Giftet welcomes new partners! Partnership may include any of the following:

1. *family partnership* : a partnership in which the partners are members of a family such as *Progrif* family
2. *general partnership* : a partnership in which each partner is liable for all partnership debts and obligations in full regardless of the amount of the individual partner's capital contribution — compare LIMITED PARTNERSHIP in this entry
3. *limited liability partnership* : a partnership formed under applicable state (such as U.S. Federal or State Government) statute in which the partnership is liable as an entity for debts and obligations and the partners are not liable personally
4. *limited partnership* : a partnership in which the business is managed by one or more general partners and is provided with capital by limited partners who do not participate in management but who share in profits and whose individual liability is limited to the amount of their respective capital contributions — compare GENERAL PARTNERSHIP in this entry
5. *nontrading partnership* : a partnership that is not engaged in the buying and selling of goods called also *non-commercial partnership*— compare TRADING PARTNERSHIP in this entry such as research and development partnership
6. *partnership at will* : a partnership whose duration is not fixed by contract and that is terminable at will by any partner such as financial institution partnership
7. *trading partnership* : a partnership whose business involves the buying and selling of goods called also *commercial partnership*— compare NONTRADING PARTNERSHIP in this entry such as in later commercial licensing of Giftet Inc. future prototypes

Building successful partnership one client at a time and one project at a time.

COMMERCIAL TRANSITION PROGRAM PARTNERSHIP

Perhaps the most important customer need addressed by Giftet innovation will be its philosophical approach to innovation. Giftet envisions that its innovation is an integral part of its cooperation and partnership with the United States government federal and state agencies, with industry partners, with non-profit organizations, with university and university research centers, and financial institutions and other organizations. Giftet is going to undertake all the necessary means and measures with memorandum of understanding, with letters of intent, with non-disclosure agreements etc. to protect its IP that may result from the innovation and also its partners' needs and rights and develop successful partnership with one client and one project at a time.

Therefore, Giftet welcomes the support that receives from its Partners.

Giftet welcomes Commercial Transition Program Partnership with Giftet Industry Partners via the following programs

SMALL BUSINESS INNOVATIVE RESEARCH (SBIR) PHASE III PROGRAM

Giftet intends to become the world leader in innovation in geolocation and geo-intelligence applications through its products and services. As such Giftet will address in this case its customers' need for innovation which primarily will be the Government agencies such the DoD with the US Air Force, US Army, US Navy, other agencies such as the National Geospatial Intelligence Agency (NGA) etc. by developing innovative technologies, products and or services that will benefit the US National Security and NATO allies.

Therefore, Giftet Partners are assured to find a great supporter in Giftet. Giftet welcomes participation in the SBIR Phase III solicitations on topics that support the Sponsoring Agency, Giftet Industry Partners and Giftet Mission Statement.

SMALL BUSINESS TECHNOLOGY TRANSFER (STTR) PHASE III PROGRAM

Giftet welcomes participation in the STTR phase III solicitations on topics that support the Sponsoring Agency, Giftet Industry Partners, and Research Institution (or University) Mission Statement.

OTHER AVENUES FOR PARTNERSHIP

Giftet welcomes other avenues for partnership with Industry Partners via the following programs

Giffet Partnership Industry Partners

SMALL BUSINESS PROGRAM OFFICE

Giffet Inc is part of the ecosystem that will encompass the new revolution in geolocation, geo-intelligence, geo-reference, and wireless communications technologies and as such Giffet will take an important leading role in the integration and standardization process of the new technologies, products, and or services via collaboration with the leading professional organizations such as IEEE, IEEE Standards, IEEE Societies such as Communications Society, Aero-Space and Electronic Systems Society, Institute of Navigation, Royal Institute of Navigation etc.

Therefore, Giffet welcomes the support that receives from its Partners.

Giffet welcomes participation as a vendor of the Small Business Program Office on proposals and topics of the Sponsoring Agency that supports Sponsoring Agency, Giffet Industry Partners and Giffet Mission Statement.

INDUSTRY RELATIONS PROGRAM OFFICE

Once Giffet has established itself in the community of the DoD ecosystem corporations; i.e., within the next few years then Giffet will address the customer needs for product development and intelligent mass production. This need will become the focus for SBIR Phase II and Phase III proposals.

Giffet welcomes participation as a vendor of the Industry Relations Program Office on proposals and topics of the Sponsoring Agency that supports Sponsoring Agency, Giffet Industry Partners, and Giffet Mission Statement.
